

EU REACH Regulation (EC) No 1907/2006

UK REACH Regulations 2020 no. 1577

Certificate on the presence/absence of SVHC

ASSA ABLOY Australia Pty. Limited manufacture security products & opening solutions and are a downstream user (manufacturer of products) per the REACH regulations. ASSA ABLOY Australia Pty. Limited is located outside the EU & UK, and are not bound by the obligations of REACH, even though we export products into the customs territory of the European Union and UK. The responsibility for fulfilling the requirements of REACH, such as registration lies with the importers established in the EU & UK. This declaration is based on the information provided through supplier information/declarations of raw materials, components, and subcontractors of ASSA ABLOY Australia Pty. Limited. ASSA ABLOY Australia Pty. Limited has established regular monitoring of the SVHC candidate list(s) on a cycle not exceeding 6 months. Arrangements with our suppliers has been established to communicate any change in supplied parts or services that may impact the REACH status. Third party analysis has not been undertaken to verify supplier information or declarations. Based upon supplier provider information the listed products below are currently compliant with the REACH Regulation (EC) No 1907/2006 of the European Parliament on the restriction of the use of certain hazardous substances, and with United Kingdom (UK) REACH Regulations 2020 no. 1577. All products listed below are not intended to release any substance under normal and reasonably foreseeable conditions of use. Compliance should be re-established if the products are further processed along the supply chain, third party modified or stored for a long period of time. This certificate covers the following product or product family concerned:

Name of Article/Product	Article/Product Code	Description
EL110	EL110-1, EL110-2	Electric Strike
EL111	111301-000	Electric Strike
EL112	111302-000	Electric Strike
ES114	111304-000	Electric Strike
ES101	110101-030M, 110101-070M	Electric Strike
ES111	110111-050M, 110111-060M, 110111-160M, 110111-190M	Electric Strike
ES112	110112-060M, 110112-060M400, 110112140M	Electric Strike
ES150	ES150-1M	Electric Strike
ES151	110151-010M	Electric Strike
ES152	110152-010M	Electric Strike
ES202	110202-000	Electric Strike

ES3201	113201-030	Electric Strike
ES3203	113203-030	Electric Strike

1. We hereby certify that the above listed products (except those in the table below) do not contain deliberately added Substances of Very High Concern (SVHC) included in the latest EU & UK candidate list published and updated by European Chemical Association (ECHA) and the UK government respectively in a concentration above 0,1%. The current EU/UK candidate list can be found on the relevant websites:

- European Chemicals Agency Website: <https://echa.europa.eu/candidate-list-table>
- UK government Website: <https://www.hse.gov.uk/reach/candidate-list.htm>

2. Products containing Substances of Very High Concern in a concentration above 0,1% are listed in the table below

Name of the article or preparation	Application	Name of the SVHC	EC number	CAS number	Concentration by weight in the article or preparation	Weight of the article
N/A	N/A	N/A	N/A	N/A	N/A	N/A

Articles which are not listed, do not contain substances of very high concern (SVHC) above 0.1% by weight threshold.

We hereby undertake to communicate in the future of any relevant update on the table above, should new SVHCs be added in the candidate list of ECHA, and be contained in our articles/products.
